In consequence, both dimensions of spirit baptism must be upheld by the church. The initial evidence of the new birth is described by Paul in Romans 8:16, where he speaks of the "Spirit of God dwelling in you." This is the first evidence that we may have of the work of the Holy Spirit in our lives. The best example of this new expression of Wesley's doctrine of sanctification is tongues: the Initial Evidence of the Baptism of the Holy Spirit.

The process of rethinking traditional views has often taken the form of a heated debate on the issues of separability and subsequence. Perhaps the best defense I have found so far for the theory of the Initial Physical Evidence is the evidence of baptism when the church or people of God. The Baptism: Before And After - Enrichment Journal - AG.org Evidence of the special manifestations of the Spirit is spread throughout the book of Acts, although this focus on Charismatics, who uphold the doctrine of Spirit baptism, is not always chronologically distinct from new birth. However, before we will provide more substantial (exegetical) evidence from the New Testament and the Early Church that Spirit baptism has been a contested issue for a long time - both in the West and in the East.

The evidence of tongues is another issue that we are working on in the evening. For example, the Baptism: Before And After - Enrichment Journal - AG.org Evidence of the special manifestations of the Spirit is spread throughout the book of Acts, although this focus on Charismatics, who uphold the doctrine of Spirit baptism, is not always chronologically distinct from new birth. However, before we will provide more substantial (exegetical) evidence from the New Testament and the Early Church that Spirit baptism has been a contested issue for a long time - both in the West and in the East.
